

ADVANCED

CTG Master Class Stockholm, Sweden

17th - 18th of October 2019

Neoventa Academy

Welcome to Advanced CTG Master Class!

Advanced CTG Master Class is aimed to get further Understanding of Fetal Response to Stress, Types of Intrapartum Hypoxia, addressing Situational Awareness and Human Factors.

The Advanced CTG Master Class is a two day course with an optional networking dinner. We are hoping that you may find colleagues and collaborators outside your hospital and country that allow you an exchange of thoughts, knowledge and experiences.

Overall aim is to implement fetal physiology & CTG interpretation in to your delivery suite to get healthier babies, reduce unnecessary interventions and increase your motivation for a better working environment.

Prerequisites:

The participant must have undertaken the CTG Master Class two day course in Intrapartum Care.

Lecturer:

Edwin Chandraharan

Venue:

Elite Hotel Carolina Tower - Stockholm, Sweden

Two day course fee:

5 490 SEK (excl. VAT, incl lunch and coffee)

Additional option - Networking dinner:
