

ADVANCED  
CTG Master Class  
Online

2<sup>nd</sup> - 3<sup>rd</sup> of September 2020

Neoventa Academy

## Welcome to Advanced Online CTG Master Class!

Advanced Online CTG Master Class is aimed to get further Understanding of Fetal Response to Stress, Types of Intrapartum Hypoxia, addressing Situational Awareness and Human Factors.

Overall aim is to implement fetal physiology & CTG interpretation to your delivery suite to get healthier babies, reduce unnecessary interventions and increase your motivation for a better working environment. It is sincerely hoped that by the end of the Advanced CTG Master Class, delegates will be able to recognise features of fetal response to stress and also to predict the next change on the CTG trace.

### Prerequisites:

The participant must have undertaken the Basic CTG Master Class.

### Lecturer:

Edwin Chandraharan MBBS, MS (Obs&Gyn), DFFP, DCRM, FSLCOG, FRCOG Director, Global Academy of Medical Education and Training Ltd .

### Two day course fee:

€190
